## **SUPERINTENDENT REPORT**

Supt. Levenson thanked everyone who came to tonight's School Committee Meeting and said he was here to listen. Supt. Levenson realizes people want answers to the most asked questions. Levenson stated he cannot answer the first question due to confidentiality and again disclosed how difficult this decision was. Why the surprise? Supt Levenson is aware that

it is not proper or helpful to share concerns publicly and tried to work quietly to solve problems in a respectful manner. The vision is for the district would be applied to all children, all nine schools, working together, embrace best practices, and to continually improve to have healthy, happy, well-rounded, and prepared students for the 21<sup>st</sup> century.
